RE: ASRP RCRA Tank Assessment Plan

Dear Mr. Beckman:

Enclosed, please find ten ✓ copies of the draft ASRP RCRA Tank Assessment Plan. This draft version of the Plan contains the text portions of Sections 1 through 5, along with a Gantt project schedule and a figure depicting ERM's project organization. The checklists that will be used to conduct the detailed reviews and inspections will be submitted separately, later in the week. ERM is currently updating the checklists to reflect the information obtained during last week's vendor site visit. As discussed during the visit, ERM will also need a complete copy of EG&G's current design package to complete the checklists.

Thank you for allowing us the opportunity to work with EG&G on this project. Please do not hesitate to contact us if you have any questions or concerns regarding this document.

Sincerely,  
ERM-Rocky Mountain, Inc.
